

## What CPD do I have to do?

RCCP standards require that a registrant must:

- Maintain a continuous, up-to-date and accurate record of their CPD activities
- Demonstrate that their CPD activities are a mixture of learning activities relevant to current or future practice
- Seek to ensure that their CPD has contributed to the quality of their practice and service delivery
- Seek to ensure that their CPD benefits the service user; and

Upon request, present a written profile (which must be their own work and supported by evidence) explaining how they have met the standards for CPD.

For more information on documenting CPD please see the [RCCP Guidance for CPD](#).
